

Pennyghael Community Hall

As we prepared for Xmas lunch at the Hall, it seemed timely to reflect on events at the Hall in 2018.

We have again run a series of themed food nights - much appreciated by the many attendees.

One particular highlight for many people was the hugely successful Pie and Quiz night hosted by Kath & Steve Grammer.

The summer BBQs were very well supported and great fun. Both the summer and Xmas producers' markets were great events to showcase local produce, as was the 2 week long summer arts festival - and due to Kath Grammer, Sue Morgan, Sue Hardwidge and others produced a nice profit for the Hall funds too.

We also had one of the "Mendelsohn on Mull" events at the Hall, and look forward to hosting more of these in the future.

Our first "Pennyfest" barn dance experiment, hosted at Ullavalt with much help from Tom & Sarah Lines, was enjoyed by all who came - a brilliant band - 'Rock & Reel' who want to come back next year too.

We must acknowledge the huge amount of work and expertise invested in the Hall by a very dedicated band of wonderful volunteers. They have put on many high class events, and have put the Hall on the local map - now famed for its food and fun.

Martin Hardwidge has been a great help in updating our website at www.pennyghael.org, and we feel sure that this has helped us put the Hall more firmly on the map.

The profits from the many events run by the volunteers has enabled us to invest in making the much needed electrical improvements. We have also been successful in getting support from MICT's Waterfall Fund and the Foyle Foundation, to enable us to complete this in early 2019 and install a new fire control system.

We hope all our volunteers, members and friends have a great Festive Season and a successful New Year.

Best wishes
